The grounds for this request are as follows:

- *Under the current schedule, Defendant's responses to discovery requests served by Opposer are due June 11, 2016. The parties have agreed to a two week extension of that deadline, to June 25, 2016. To ensure that there is time to review Defendant's discovery responses after they are served, and work out any issues that may need to be addressed before testimony opens, the parties respectfully request that the trial dates, including pretrial disclosures be extended by 60 days.*

Ecowater Systems LLC has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.
